RETURN showing the Number of EXTRA POLICE STATIONS in WATERFORD COUNTY and CITY, and the Number of POLICE who have been sent out of the County to attend at other Places at various Times during the Year; and the Number of DAYS they have been Absent; also the Number of POLICE over and above the Extra Force that have been Drafted into WATERFORD, and the Number of DAYS they remained in County or City.

#### L.—NUMBER OF EXTRA POLICE STATIONS.

On 31st March 1887 the total number of police stations in the County of Waterford was 37, exclusive of eight "joint stations," of which the sub-districts extend into Waterford County, and where men of the County Waterford police force are stationed (2 & 3 Vict. c. 75, sect. 16). Three of these joint stations are situated in the City, four in Tipperary, S.R., and one in Cork, R.R.

There were, on the same date, in the City of Waterford, three stations, in addition to the three "joint stations" already mentioned.

The City of Waterford has no extra force, and though extra force under Sections 12 and 13 of 6 & 7 Wm. 4, c. 13, exists in the County of Waterford, such force, having always been regarded as an increase to the force of a county generally, is never appointed for particular stations, and is as liable to be used for the augmentation of existing stations as for the formation of new ones.

The total number of stations cannot therefore be classified into "extra police stations" and others.
